

"Quality Dental Care From the DMZ to the Sea"

Dental

- Active duty and KATUSA Soldiers are priority
- Limited Space Available:

 Family Members of Active Duty (AD) Soldiers
 Retired Military and Family Members*

 Other—DODDS, Invited Contractors and Family Members*
- AD family members given options:

Wait for space available appointments, defer

treatment or see Korean dentist (reimbursed at

TRICARE Dental Program – OCONUS (TDP-O) rates)

*These beneficiaries receive only emergency screening

Dental

- There are insufficient resources to meet all the demand for dental care that comes from AD family members
- Use of resources is dental readiness mission driven
- Leveraging of civilian resources through the TRICARE Dental Program – OCONUS insurance plan allows more AD family members to receive timely and comprehensive dental care
 - By referral only (Non-Availability Referral Form [NARF])
 - See Host Nation Provider (HNP) Korean dentist (PAYMENT IS UPFRONT: reimbursed by TDP-O)
